\*These timings are subject to change prior to the start of this event. You'll be provided with the most up-to-date schedule on the day.

## What can you expect from our workshops?

We've got plenty to choose from! **They'll be collaborative and interactive**, meaning you'll learn from our experts as well as from each other. We'll ask you to book the workshops you'd like to take part in when you purchase your ticket - but you can always change your mind.

### Intro to portfolio careers

In this collaborative workshop, you'll explore what it means to have a successful portfolio career and map out the best route forward.

### Overcoming portfolio career challenges

Unpack the challenges of portfolio work as a group to uncover the best tactics for combatting imposter syndrome, burnout and objection handling.

### Productivity & time management

Together, we'll learn how to stop procrastinating and make productivity a superpower! We'll share tips, hacks and strategies to keep each other on track.

### Building a value proposition

What you do is unique - so how do you articulate that? We'll work together to build powerful value propositions that help you stand out.

### Business development

Want to learn how to stay top of mind? You'll share tactics with the group, discuss challenges and find new ways to build your pipeline.

### Speed networking

Don't fancy attending a workshop? Then get to know as many portfolio professionals as you can in 30 minutes with this fast, fun networking event.
